My name is Dionne Lemont Gatliff #24360-044

I'm writing on behalf of Covid-19 USC. 3582

Extraordinary Compelling Circumstances. This pandemic has ravaged jails, and Prison, where Social Distancing is almost impossible, as the CDC has recommended.

This leaves prisoners like myself very vulnerable to this deadly virus. The CDC has highlighted certain underlying health conditions, such as severe asthma, Diabetes, and people with immunocompromised conditions. As of the writing of this letter, I've been ill now for months, complaining of chest pain, shortness of breath, I'm presently being treated now for possibly pneumonia. My health concerns are listed in my P.S.R.

They are as follows Severe Asthma, Diabetes, Sarcoidosis, and High blood Pressure. I've served at least 25% of my sentence, I'm asking the Courts to grant me Compassionate Release, or Direct Home Confinement. My place of Residence will be with the mother of my three children, in St Charles MO. where I've owned my home since 2008. I've exhausted all the required steps here at FCI Terre Haute. I Pray that you accept this as a motion to the Courts.
